Respectful, Safe and Responsible Learners

## Special Religious Education (SRE) Participation Letter

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective at the choice of parents/caregivers.

During enrolment, you can choose a special religious education option for your child from the school's available approved providers.

At Moss Vale High, SRE is taught by approved SRE teachers representing all denominations associated with the local SRE Board.

The SRE section of the school website <https://mossvale-h.schools.nsw.gov.au/learning-at-our-school/religion-and-ethics.html> provides further information on our approved provider to support parent/caregiver choice.

A parent/caregiver may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year, unless a parent/caregiver has requested a change in writing.

For more information about Special Religious Education (SRE) please visit: <https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics>

At Moss Vale High School, SRE is provided by: Anglican Diocese of Sydney.
